

# VALLIS

Investor Overview

# What is VALLIS?

A governed liquidity & probability platform with built-in safety, trust, and long-term retention.

# Revenue Streams

LP fees, game execution fees, ad monetization (AD'AM), donations.

## **Risk Mitigation**

No pay-to-win odds. No hidden yield. No binding governance.

# Differentiation

Identity systems, time-based mechanics, witness layers, and permanent vault unlocks.

# Why It Wins

Designed for decades, not hype cycles.
